# PLACEMENT STATS FOR THE ACADEMIC SESSION 2023-24

# Overall Metrics

## Key Highlights-

- Reputable companies like KANINI Software, Accenture, and Infosys participated, offering a range of roles. Students had opportunities across various domains, such as software engineering, business development, and product engineering.
- Recruitment drives occurred in pool, campus, and online formats throughout the placement season.
- Salary packages ranged from ₹3 LPA to ₹9.5 LPA, with some roles offering higher packages depending on the position.
- A wide range of students participated, with varying numbers of candidates appearing for each company's drive.
- The placement season reflected strong industry-academia collaboration, emphasizing students' technical skills and career readiness.
