# Bollywaganza

On September 3rd, 2022, WIT's Unstop Igniters Club presented a thrilling event, Bollywaganza. Sixteen dynamic teams, each composed of four members, engaged in spirited competition. The teams were organized into four pools, navigating through a series of four rounds. With each passing round, one team from each pool bid adieu, paving the way for an electrifying final showdown. In the ultimate round, participants tested their song-guessing prowess, and the triumphant honor was claimed by the team "Liberty, Equality, and Masala Tea." The event radiated enjoyment and fervor, leaving an indelible mark of enthusiasm.

# Engineers' Day

The country of India commemorates Engineers Day on September 15th annually to pay homage to Dr. M Visvesvaraya, a highly esteemed civil engineer. The Indian government designated this date as Engineers' Day in 1968. During this occasion, the Unstop Igniters Club WIT organized and conducted a diverse array of competitions, including but not limited to skits, sudoku, crossword puzzles, coding competitions, treasure hunts, car modeling, slam poetry, Shayari, ghazal, poems, carrom, uno, chess, ludo, and jamming sessions.

# IEEE Day

It is an abbreviated form of the Institute of Electrical and Electronics Engineering. It describes as "The world's largest technical professional society promoting the development and application of electrotechnology and allied sciences for the profession and the well-being of our members. Within this context, WIT's vibrant celebration of IEEE Day served as a catalyst, a rallying point to magnify the society's reach and galvanize burgeoning engineers. The event not only spotlighted the promotion of this influential society but also fervently encouraged emerging talents to pledge their contributions to fostering efficient and sustainable technological progress.

## Visit From SSM Sharda IAS

Mr. Sanjay and other faculty members from Sharda IAS coaching in Dehradun conducted this session. The session aimed to assist students aspiring for UPSC-CSE by introducing them to accessible and affordable courses that can aid them in preparing for the exam. During the session, a group discussion was conducted to understand the educational backgrounds and professional goals of the students and their motivations for preparing for the exam. The female faculty shared their personal journeys and highlighted the importance of women's representation in the government's executive and legislative branches, encouraging more female students to consider UPSC-CSE. Information brochures and feedback forms were also distributed to the students before the session's conclusion.

# Induction Program

The Induction Program is designed for first-year students to help them adjust to their new environment and become familiar with the various departments of the college. During the program, the students were introduced to the faculty members from each department and briefed on the subjects offered in different branches, as well as their potential opportunities in the near future. The program lasted for 14 days, with each day featuring an introduction to a different department.

# Freshers

The Second Year cohort took on the responsibility of organizing and hosting the Freshers 2022 event, which served as an opportunity for new students to feel welcomed. The aim of the event was to promote creativity, confidence, and passion among the freshers. The event consisted of an array of engaging activities, including dance and singing performances, games, and ramp walks, all designed to foster a friendly and supportive environment. Additionally, the new students were bestowed with gifts and titles, which helped to establish a strong bond between them and their senior peers. Overall, the event was a resounding success, resulting in a lasting impression on all attendees.

# Inter College Tournaments

The University inter-college tournament hosted by BFIIT was a resounding success, with seven teams participating in the competition. After intense efforts and hard work from all the students, WIT emerged victorious. Their performance during the tournament reflected their dedication and commitment to the sport. It was a great showcase of sportsmanship and competitiveness among the participating colleges.

To enhance the latent talent of the students and provide an opportunity to the players, WIT also organized sports events. Many sports like kabaddi, volleyball, races, table tennis, and many more sports events were organized.

## Inter-College Kho Kho Tournament

The inter-college kho kho tournament was hosted by JBIT on October 14, 2022, with WIT emerging as the undisputed champion. The team comprised 12 members who played with exceptional enthusiasm and passion, leaving their opponents in the dust. On October 15, 2022, the team was honored with the trophy and certificates for their outstanding performance. The hard work and dedication of these students brought unparalleled pride and recognition to the college.

# Chiraag

The program commenced at 9:30 AM and concluded at 4:30 PM. The esteemed director of WIT graced the occasion with his presence and delivered a remarkable speech. The day's festivities kicked off with a captivating Ganesh Vandana performance, setting a spirited tone for the events that followed. Among the highlights was a mesmerizing eco-friendly rangoli competition, which witnessed spirited and enthusiastic participation from students representing various branches. Their performances were nothing short of awe-inspiring, showcasing remarkable talent and dedication.

The students eloquently showcased their creativity by ingeniously crafting fireless sweets, artfully fashioning Diyas, and passionately engaging in the creation of DIY Diwali decorations. Their talents were further put to the test in a captivating Mehandi competition, where their intricate designs and skillful application earned them well-deserved applause.

The culmination of these remarkable endeavors was met with a panel of discerning judges, who meticulously evaluated the performances. In recognition of their exceptional achievements, the winners were proudly awarded, acknowledging their dedication and skill in the various competitions.

The term "CHIRAG" carries with it the profound symbolism of a luminous lamp, radiating its brilliance into the surrounding darkness. This evocative word effortlessly conjures images of the cherished Festival of Lights, widely known as "DIWALI". Just as a "CHIRAG" dispels the shadows with its radiant glow, so too does the festival illuminate our lives with joy, hope, and a sense of togetherness.

# Unity Day

Unity Day is celebrated on October 31st to honor Sardar Vallabhbhai Patel's birth anniversary. Patel played a crucial role in India's political integration, and is remembered fondly on this day. The theme for the day is "Run for Unity," and it was inaugurated with a Director's stirring speech highlighting Patel's contribution to India's freedom movement. The celebrations included a lengthy run, followed by competitions such as quizzes, essay writing, and debates, which were participated in by students and professors alike.

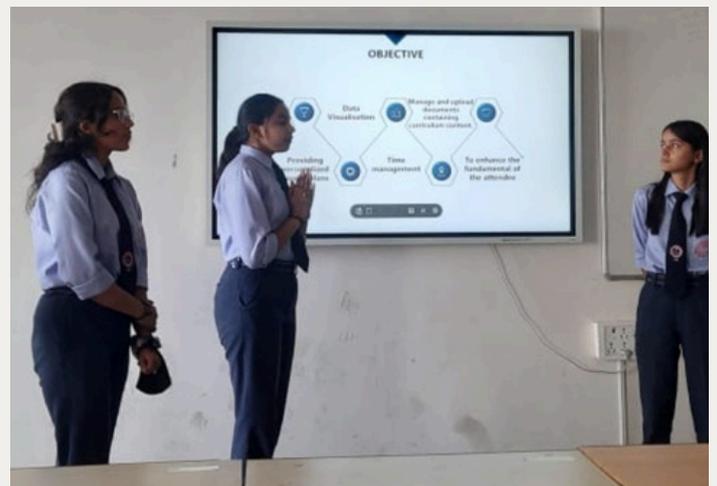

# GitHub: By Gohackathon

The GitHub seminar by Go-Hackathon, attracted a keen audience from the Women's Institute of Technology. This enlightening session delved into the fundamentals of GitHub, skillfully guided by Mr. Imran. The students were treated to a comprehensive exploration of this essential platform. Moreover, the event took a holistic approach to personal growth. Mr. Ravi Rautela took the helm of a captivating personality development session, infusing it with interactive and engaging activities.

# Technovation

On April 28th, 2023, Start-up Cell and Unstop Club collaborated to host Technovation, a remarkable event that highlighted technological innovation. The participating students presented a range of ideas geared towards improving society and environment. The event was enthralling, unleashing the students' creativity and revealing their latent talents. Technovation was an undeniable triumph, leaving a profound and enduring impact.

# State Foundation Day

November 9, 2000, marks the celebration of State Foundation Day, as it was the day when Uttarakhand became India's 27th state. This event was significant as it was carved out of the hilly region of undivided Uttar Pradesh. WIT commemorates this day with great happiness, joy, and pride. Various activities were conducted, including quiz, traditional solo and group dances, duos, and songs. A ramp walk was also held to showcase the different cultures that have thrived in Uttarakhand.

## Blanket Distribution Drive

On January 9, 2023, during the peak of winter, the Rotaract club decided to assist those who were vulnerable to the cold and give back to society. They came up with the idea of providing blankets to those in need. In the morning, the club's students left the college grounds and headed towards the nearest slum with a bundle of blankets.

The people living there were called out and asked to receive the blankets as gifts for their families. It was heartwarming to see the children's faces light up when they were given the thick, colorful blankets. The drive was a success as all the blankets were distributed in about an hour and everyone was left with satisfaction, including the club members.

# Seminars

Throughout the semester, students had the opportunity to speak with several mentors and receive guidance on various topics of interest. Here are some of the notable seminars that were held.

## **26th November 2022: Studying and working in Ireland**

Our college hosted two guest speakers, Ms. Nidhi Upadhyay and Dr. Vibhutesh Kumar Singh, who shared their experiences studying and working in the engineering industry, from India to Ireland. Dr. Kumar also provided insight into the process of studying or applying for jobs abroad, assuring the students that an Indian engineering degree is sufficient.

## **22nd November 2022: Importance of Mental health and wellness**

Our college held a program to discuss the significance of mental health and wellness with the student counselor. During the event, the counselor addressed the students and talked about the potential triggers for mental illnesses and distress in college. She provided several solutions to tackle these concerns and offered advice on how to avoid being negatively affected by such issues.

## **Time Seminar**

On May 4, 2023, the Time Institute in Dehradun held a seminar at the Women's Institute of Technology. The session began with an aptitude session led by Tushar Sir, during which students were presented with reasoning-based and aptitude questions. This was followed by a seminar on careers in banking and higher studies by Divya mam. The session was informative as students were enlightened about the significance of various competitive exams and how to prepare for them.

# Republic Day

On January 26th, the Women Institute of Technology celebrated Republic Day with great enthusiasm and fervor. The event took place within the college premises, and various activities were organized to engage students, faculty, and staff members. The day started with a flaghoisting ceremony, where the national flag was unfurled by the college Director, Mr. RPS Gangwar. The national anthem was sung with pride, instilling a sense of patriotism in everyone present. Following this, Director Sir gave a speech regarding the progress and placements of the college and encouraged all students to serve the nation.

# Sports Day

Engaging in sports is a beneficial activity that involves the active use of all senses and enhances an individual's cognitive skills by sharpening the brain and increasing memory retention. In order to provide an opportunity for players and enhance the latent talent of students, WIT organized a sports event. The event included various sports such as kabaddi, volleyball, races, table tennis, and many more. The students participated with great enthusiasm, poured their hearts into the game and emerged victorious. The organizers successfully coordinated the event with the assistance of the students. Overall, the event was a great success.

# Splash

The "Splash" event was organized on March 4th, 2023, to commemorate the vibrant festival of "Holi". Students and teachers came together to enjoy a delightful time by throwing color bombs and applying colors to each other. The ambiance was filled with cheerfulness and lively shades, and the event included dancing on joyous beats, a colorful battle, food and goodies stalls, and a tug-of-war competition among students. It was an unforgettable experience for all those who participated.

# Kauthig

The vibrant event of "Kauthig" unfolded its grandeur on the 3rd and 4th of April, orchestrated by the esteemed Uttarakhand Technical University. A dynamic medley of competitions involving singing, dance, debate, modeling, and sports added color and fervor to the occasion. Hailing from various institutions affiliated with UTU, spirited teams converged to showcase their talents. Each competition was a journey through captivating rounds, with the 4th of April culminating as the decisive day for unveiling the much-anticipated results. WIT students, with their unwavering zeal, ultimately clinched an impressive 2nd position. The event encapsulated a tapestry of fun-filled moments that resonated with the essence of the occasion.

# A Heartfelt Farewell

## Celebrating the Journey with Our Beloved Seniors

We said goodbye to our 4th-year B.Tech seniors on May 18th, 2023. It was a joyous evening filled with cherished memories. The event began with captivating dance performances that showcased the unbreakable bonds we had formed over the years. The dancers' graceful movements left an indelible mark on our hearts, and the room was filled with laughter and applause.

After the dance performances, the musical extravaganza took center stage. Ayushi's ukulele performance was magical and stirred up a medley of emotions in us. Urjita's piano recital was equally captivating, taking us on a melodic journey down memory lane.

As time passed, we felt a bittersweet feeling wash over us. We were happy to celebrate together, but we also knew that it was time to bid farewell. Emotions ran high as we expressed our gratitude and love for our seniors, acknowledging their significant impact on our lives.

The cake-cutting ceremony was a meaningful moment symbolizing the passing down of knowledge and values from seniors to juniors. Our Institution's emblem on the cake added to its significance. Witnessing the next generation continue the institution's legacy was heartwarming and reminded us to cherish and protect Institute's history.

As we hugged and exchanged heartfelt goodbyes, we knew that this was not an end but a new beginning. The shared experiences and friendships forged during these years would forever hold a special place in our hearts.
